

STATEMENT of REACH Compliance

In accordance with Article 33, Paragraph 1, of regulation of European Parliament and Council (ES) No. 1907/2006 on Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) OPTOKON Kable Co., Ltd., s.r.o. has obligation to inform customers about the defined chemical substances contained in its products, either produced in EU or imported into the EU member states. In the case of a product containing substances meeting the criteria of Article 57 found in accordance with Article 59, Paragraph 1 in concentrations above 0,1% by weight, OPTOKON Kable Co., Ltd., s.r.o. must provide sufficient information to enable safe use of this product.

In accordance with our above mentioned responsibilities, we are in the process of identifying SVHC substances:

- to evaluate the available technical data regarding the presence of SVHCs in our products or their ingredients
- communicate with our suppliers in order to exclude or confirm the presence of SVHCs in any of our products

Based on the results of this procedure, we confirm that products we currently manufacture and deliver to the market, don't contain any SVHC substances in concentrations above 0,1% of its weight.

OPTOKON Kable Co., Ltd., s.r.o. undertakes to continue to comply with the requirements of Directive 1907/2006 / EC (REACH) and to inform customers of product changes.
